42) Re the Dy Comr's proposal at A above, please see the Resolution of the Managing Committee of the Coronation Institute Dy 12-12-1932 regarding their willingness to transfer their rights over the building to Govt, subject to the continuance of the privileges they now have for the use of the building according to their bye laws &c. | B

Serial No

The Dycan's proposal is to declare the building as a Gift building & to allow the Centre to continue to occupy it free of rent & for the next 3 years, pending examination of the finances of the Institute & the question of the levy of rent thereafter. It is doubtful if the Centre & the Institute will agree to this arrangement, and it is not clear if the proposal of the Dycan may be sanctioned irrespective of the consent or otherwise of the Centre. The Law Secy may be consulted.

(3) Regarding the utilisation of the grant of Rs 1500 referred to in the Dycan's letter for improvement & repairs of the building, this may be allowed after a decision is reached on the question referred to above.

OFFICE OF THE DEPUTY COMMISSIONER,
HASSAN DISTRICT,

Dated, Hassan, the 29th October 1930.

Ml 175-30-1.

L-2235

REV SECTT
GEN - 1 NOV 1
L & G BRANCH

From

S ABDUL WAJID, Esq, B A,
Deputy Commissioner, Hassan District.

To

R. RANGA RAO, Esq., B.A., B.L.,
General Secretary to Government,
Bangalore.

31/1973.

Sir,

In forwarding herewith copies of the marginally noted applications from the Secretary of the Coronation Institute, Hassan, requesting for early repairs and the maintenance of the Coronation Hall Building at Hassan by Government, I have the honor to state that I understand that the Coronation Hall building was constructed 18 years ago in commemoration of the Coronation of our Imperial Majesty the King Emperor George V out of private subscriptions. In this building is located the Public Reading Room and Library which are very popular and serving a need of the town. It stands adjacent to the Jubilee Hall in a prominent place and has added much to the beauty of that part of the town. Ever since its construction, there is none to look after it and the Coronation Institute Committee which is a purely private body which is now in charge of it have not been able to maintain it properly with its limited resources, with the result that the building is deteriorating year after year for want of repairs. On receipt of first communication from the Secretary of the Coronation Institute in the matter, I addressed the President of the Hassan Town Municipal Council to move the Municipal

@

No.29 dated 3-1-1929.	:
No.79 dated 22-3-30 with its two enclosures.	: 1

Municipal Council and ascertain as to whether they were agreeable to take the building in their charge for its proper upkeep and requested also the Executive Engineer, Hassan Division, to get up an estimate for urgent repairs of the building and to furnish me with his opinion as to the feasibility of arranging for its maintenance out of general revenues of the State. The President of the Municipal Council has not replied to me at all in the matter in spite of several reminders and it seems that the subject is being deferred by the Municipal Council from time to time and has not been considered by them till now. While, the Executive Engineer has furnished me with two estimates, one for Rs 1400/- for improvements and another for Rs 240/- for repairs, with his letter No. 159 dated 19th Octr. 30, and I submit the same herewith along with all its enclosures for favour of orders of Government.

2. In view of the fact that the building in question is one constructed by the public out of private enterprise on the historic occasion of the Coronation of His Imperial Majesty the King Emperor and that some satisfactory arrangements are very necessary for its proper upkeep, I am strongly of opinion that the building should be transferred to the local Municipality for maintenance with some suitable grant from Government if necessary. I request you to kindly place the matter before Government and obtain their orders on the subject at an early date.

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.

Letter No. 29 dated the 3rd January 1929 from the Secretary, King George V Coronation Institute, Hassan, to the Deputy Commissioner, Hassan District.

I beg to inform you that the marginally noted two buildings belonging to the King George V Coronation Institute, Hassan, are in urgent need of some petty repairs and of white washing. The Dewan Sahib when he last visited the Institution last year, suggested that steps should be constructed at the Western end of the wings of the Varandah of the Coronation Hall. The terrace also has got many cracks and consequently water trickles through the crevices and has been damaging the whole building itself.

1. Jubilee Hall.
2. Coronation Hall.

Though the building as constructed 18 years back, annual repairs are not being done as the Institution has no special funds of its own to meet such big items of expenses. It is only when a State officer or a distinguished visitor comes here, that some colour washing is done just to put on a somewhat neatly appearance for the time being.

The Institution has got a splendid Library and a Reading Room, and has been doing very good service to the Hassan public. The buildings referred to above were originally constructed out of public funds. But now, they are being allowed to deteriorate for want of annual repairs.

I therefore earnestly appeal to you sir, and request that you will take the matter to your kind and generous consideration and obtain the sanction of Government for getting the annual repairs done every year at the cost of Government through the Public Works Department.

I also request that the Executive Engineer, Hassan, may kindly be asked to inspect the buildings and submit an estimate in the matter.

"Copy"

2 Deputy Commissioner
Hassan District.

Letter No. 79 dated the 22nd March 1930 from the Secretary, King George V Coronation Institute, Hassan, to the Deputy Commissioner, Hassan District.

In continuation of my letter No. 29, dated 30th Dec. 1929, and subsequent reminders thereon, ending with letter No.67, dated the 3rd instant, in the matter of obtaining the special sanction of Government for the annual maintenance of the Coronation Hall building, Hassan, I have the honor to submit herewith a copy of the resolution No.VII, passed by the Executive Committee of the Coronation Institute, in their meeting held on the 3rd instant, regarding the same matter and to state as follows:-

2. King George V Coronation Institute, Hassan, was started in the year 1911, to commemorate the great event of the coronation of His Majesty the King Emperor, George V at Delhi. It has got a splendad library and a Reading Room together with a Sports section of both Indoor and Outdoor games, attached to it. The Institution has been located in a fine building sorrounding an open field in the centre of the Hassan Town. This building was constructed by the people of the Hassan District at a cost of more than Rs 15000/- and has been made over to the management of the Executive Committee of the Institution. The affairs of the Institution are being managed by a Committee of elected members who will be appointed every year by the general body of the Institution during the time of the annual general meeting of its members.

3. The Institution has been doing a very good service both to its members as well as to the public of Hassan, as it has opened a free section, for the use of the Non-Members, where they also can have the full benefits of the Reading Room and the Library.

4. The Library consists of some of the choicest works of up to date information on a variety of subjects such as History, Economics, Politics, Literature, Biography, Philosophy, Science, etc., and is worth more than Rs 10000/-.

5. So far, the Institution has been purely a popular institution

and has no other support except an annual grant of R240/- which the Hassan Town Municipality has been granting for the last three years. Neither the Government nor the District Board has been paying anything towards the working of the Institution.

6. The enclosed statements will give an idea of the working of the Institution and its financial position during the last three years.

7. With the increase of membership, the Institution has been finding it very hard to give satisfaction to its more than a hundred members, both in respect of providing seating accommodation as well as furnishing sufficient number of current newspapers and books. Besides, the beautiful building belonging to the Institution is being allowed to deteriorate for want of annual repairs owing to the inability of the Institution to provide funds for the purpose. Since its construction in 1911, it had had only two white and colour washes which the Hassan Town Municipality was obliged to have done, owing to the august visits of His Highness and the Dewan Sahib.

8. It is hardly necessary for me to point out to you, Sir, the importance of maintaining such a literary institution in an efficient condition.

9. Rajamanthrapravina C.S. Balasundaram Iyer, Esq., B.A., Second Member of Council, was pleased to visit this Institution during the course of his recent tour in this District, and kindly suggested that a recommendation might be made for obtaining Government aid for the benefit of the Institution.

10. I therefore request that a recommendation may kindly be made to Government with your strong support for obtaining the sanction Government to issue orders to the Public Works Department, to include the annual repairs to the buildings (Coronation Hall and the Jubilee Hall) belonging to the Institution, in its annual Budget and to

conduct the annual repairs in future.

==========

" Copy "

Deputy Commissioner,

Hassan District.

as.

all these from a monthly subvention of Rs 20/- from the Hassan Town Municipal Council and such private (necessarily precarious) subscriptions given by members, the authorities have not been financial-ly able to undertake annual repairs to the said building, which stands in need of urgent repairs and hence Government is respectfully requested to issue needful instructions to the Department of Public Works to include the annual repairs to this building and the adjoining Jubilee Hall in its annual Budget as was so kindly suggested by Rajamanthrapravina C.S. Balasundaram Iyer, Esq., B.A., Second Member of Council, during his recent visit.

To

R. RANGA RAO, Esq., B.A., B.L.,
General Secretary to Government,
Bangalore.

Sir,

With reference to your reminder No.L.8510 dated 15-4-1931, enquiring if the District Board will contribute anything for the maintenance and repairs to the Coronation Institute Building at Hassan, I have the honour to forward, herewith, a copy of the Hassan District Board President's letter No.L.Dis.Gl.3668-30/L.F. dated. 8-4-1931 stating that the Board are unable to contribute any amount for the purpose.

As regards the resolution of the Municipal Council, the President has replied in his Memo No. Al.C.196-29 dated 21-3-31 that an estimate for the present and annual repairs to the above institution has been called for from the Executive Engineer as per resolutionof the Municipal Council. On receipt of the reply from the President, who has, this day again, been reminded to expedite the matter as a further communication will be made to you.

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Hassan District.

I.S.D.2.

Letter No.Gl.L.Dis.3668-30/L.F.dated 8th April 1931 from the President, District Board, Hassan, to the Deputy Commissioner, Hassan.

.....

Re: maintenance of the Coronation Institute building at Hassan.

With reference to your Memo No. C. 883-28 dated 22nd November 1930 on the subject and calling for the resolution of the Board whether they are agreeable to contribute anything towards the cost of the repairs and the future annual maintenance, I have the honour to state that the District Board who considered the subject at their meeting held on 14th February 1931, have approved the resolution of the standing committee which resolved that it is not possible to contribute any amount for the purpose.

GENERAL SECRETARIAT
21 APR 1932
No. C.S.
Ans'd.

Sir,

In reply to your letter No.L.6768/Ml.175-30-6, dated 2nd April 1932, re. repairs to the Coronation Institute at Hassan, I have the honour to forward herewith copies of the proceedings of the meeting of the managing Committee of the Institute, held on 2.4.32 and 12.12.32 and to state as follows:-

From the beginning, the Secretary has been saying that the building has been constructed out of public subscriptions. Neither the Secretary nor the Committee have any evidence to show that the building has been handed over to them for management. A copy of the Bye-Laws sent by the Secretary shows that the Institute is a private club, giving facilities to private, paying members for reading Newspapers and Books and for playing Cricket and other games. In the absence of evidence to prove that the building which was built out of public subscriptions was handed over to the Committee for management, the building clearly belongs to Government, and it is unnecessary to mention that the Committee have been allowed to use it by suffrance all these years, free of rent. Moreover, the finances of the Institution are not also sound.

In these circumstances, I think that the management of a public property like this should no longer be in the

hands of a private body like the Managing Committee, and request you, therefore, to be so good as to declare the building as a Government building, and that pending disposal of the question of levying rent for locating the Institute, the Committee may be allowed to continue to occupy it free o rent for the next three years. The finances of the Institute will be examined and separate proposals will be sent re. the levy of rent.

In this connection, it may be mentioned that Government have, in their Order No.L.5022-34/Ml.116-32-38, dated 31.1.1933, sanctioned a sum of Rs.1500/- to this Institute out of the Town Improvement grant for the current year. The estimate sent by the Executive Engineer for improving the Institute comes to Rs.1400/-, and that for repairs, to Rs.240/-. As the total of the two estimates exceeds the grant sanctioned by Government, by Rs.140/-, I request you to kindly sanction a further grant of Rs.140/- and to direct that the work be taken up by the Public Works Department.

Pending final orders in the matter, I request that the permission may kindly be accorded to draw the sum of Rs.1500/- referred to above and credit it to "17(a) P W.Deposits".

The estimates received with your letter dated 2.3.33, are herein enclosed for kind perusal.

I have the honour to be
Sir,
Your most obedient servant,

Deputy Commissioner (In charge)
of Hassan District.

Extract from the proceedings of the Executive Committee of the Coronation Institute, Hassan, held on Saturday the 2nd April 1932, at the Coronation Hall at 6 P.M.

1. x x

2. x x

3. The maintenance and the repairs to the Coronation Institute building.

The letter from the President, Hassan Town Municipality, No.196-29, dated 3rd March 1932, regarding the maintenance and repairs, etc., was read

Resolved that the Committee is of opinion that they are not willing to hand over the building to the Municipality, but strongly suggest that the Municipality be requested to liberally donate towards the repairs of the building. The matter is deferred so that it might be placed at a special/general meeting.

In the meanwhile, the Municipality be requested to attend to the "immediate repairs" as it is apprehended that the coming monsoon may cause serious damages.

6.H.V.Puttu Rao,

Absent. 1.G.Kasturi Ranga Iyengar,
2.B Srikantiah,
3.S.P.Brahmappa.

RESOLUTIONS:-

1.Mr.H.V.Rangaswami was proposed to the Chair and the proposal was carried.

2. Mr.A.G.Ramachendra Rao proposed that the following draft resolution and reply to the Hassan District Deputy Commissioner's letter No.883-28-29, dated 24.11.32, regarding the maintenance and repairs of the Coronation Institute building, be adopted and communicated to the Deputy Commissioner.

Mr.B.Suryanarayana Rao seconded the resolution.

The proposition and the draft letter were unanimously ~~carried~~ agreed

Resolution. "The Coronation Institite is agreeable to transfer to Government such rights as may be desired by Government, or at their discretion, to any Local Body, or Local Bodies, saving the existing rights of the Institute, such as habitation for the Institute in the present building, and the use or uses for which the building is being put to, as per Bye-Laws of the Institute, (Copy of which is enclosed) on the Government guaranteeing that the said present rights of the Institute in the building will not be disturbed to the detriment of the Institute and that the building will be properly repaired and maintained in good condition"

Copy, Sd.B.A.Subbanna, Secretary.

Copy. for Deputy

Enclosures to Endorsement No. C 883-28 & 29 dt 30 addressed to the Govt by Exec. Engr.

Report to accompany the estimate for improving the King George V Coronation Institute at Hassan.

.....

Roof- All the ornamental work in parapet i.e. balustrades are of wood and have deterirated and the coping is likely to fall down. Hence these are proposed to be removed and have a new parapet of 1½' high x 4½" thick with base and coping to such is prepared.

The terrace of the left wing wall is leaky. The proposal is to remove the plaster at the top, examine and close it up with two layers of flat tiles in mortar and - plastering over left wing verandah rear. The cornice is almost cracked and is likely to fall down. Necessary repairs are provided.

The basement to the building in the rear is high and there are no suitable steps entrances at sides. Hence two steps are provided now on either sides. Also cast iron balustrades are provided alround the building in verandah. The cast iron balustrades will be got from Bhadravati and fixed with teak railings at top and necessary pedestal at bottom.

The present water spouts are almost all of them leaky and there are no water pipes. Provision is made in the estimates for new pipes.

Aluminium painting is proposed to cast iron pillars of the verandah.

This is a public building of vast utility and the repairs and improvements proposed are very essential as otherwise the safety of the building in certain portions will be endangered.

The items of improvements to the building cost Rs.1,400/-.

Executive Engineer,
Hassan Division.

18/10/30.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No L 8140/rel 175-30-8 *Dated, Bangalore,* 13th June 1933.

From

The *General Secretary to the Government of His Highness the Maharaja of Mysore*

To

The Deputy Commissioner,

Hassan District.

Sir,

With reference to correspondence ending with your letter C. 778/32, dated 19th April 1933, regarding the management of the Coronation Institute at Hassan, I am directed to enquire whether the Municipality is willing to run the institutions located in the building viz., Reading Room, Library and the Sports Club, in case the building is handed over to them. It is only if this can be done that the grant of Rs. 1500/- will be paid for the repairs of the building, otherwise the amount should not be drawn and further action if deemed necessary by you may be taken under Section 18 of the Religious and Charitable Endowments Regulation in the interests of the building and the institutions connected therewith.

I have the honor to be,
Sir,
Your most obedient servant,

For General Secretary to Government.

HASSAN DISTRICT,

Dated, Hassan, the 13th June *1933*

5737

DEAR SIR,

In inviting your kind reference to this Office letter No. C 778-32 dated 11-5-1933, requesting permission to draw the Town Improvement Grant of Rs 1500/- sanctioned to the Coronation Institute at Hassan and credit it to Public Works Deposits and also to entrust the repair work to the Public Works Department, I request you to kindly communicate the ordersof Government at a very early date, as otherwise the grant will lapse.

Yours sincerely,

H Ramaswamy

General Secretary to Government, Bangalore.

SIR,

With reference to your letter No. L. 8160-M1. 175-30-8 dated 13/14th June 1933, enquiring whether the Hassan Town Municipal Council are willing to run the institutions located in the Coronation Institute building, in case the building is handed over to them, I have the honor to state that the President Hassan Town Municipal Council who was addressed in the matter has furnished an extract from the proceedings of the meeting, held on 1st July 1933. They have resolved that they are prepared to maintain the Library and Reading room and the club, for public benefit, and for affording amenities to subscribers, provided the Government are pleased to vest the entire rights of the building and the properties of these institutions in the Municipal Council and also give a grant of Rs. 1500/- kindly sanctioned during 32-33 for effecting improvements. A copy of the resolution is enclosed for kind perusal.

I have the honor to be,
Sir,
Your most obedient servant,

M Chennaraj Urs 1/9/33
Deputy Commissioner,
Hassan District.

Proceedings of the Meeting of the Hassan Town Municipal Council held on the 1st July 1933.

19. Read Deputy Commissioner's Memo No.C.778-32 dated 19th June 1933 requesting to intimate as to whether this Council are willing to run the institutions located in the Coronation Institute building at Hassan.

Resolution:-

Resolved that the Council are prepared to maintain the library and reading room and the Club for public benefit and for affording amenities to subscribers, provided the Government are pleased to vest the entire rights of the building and the properties of these institutions in the Municipal Council and also give a grant of Rs. 1,500/- kindly sanctioned this year for effecting improvements.

Dear Mr. Chamaraj Urs,

Re: the Coronation Institute building at Hassan, I am to state that the resolution of the Municipal Council passed on 1st July 1933 read with that passed by the Managing Committee of the Institute on 12-12-32 shows that there is not much material difference of opinion between the two bodies. The Municipal Council is agreeable to maintain the Library and Reading Room and the Club for public benefit and to afford amenities to subscribers. The Committee of the Institute, on the other hand, seems to have no objection to transfer the building to the Municipal Council, if it is guaranteed to be used for the purposes for which it is now being used. The matter is therefore one in which it should be easy to effect an amicable settlement between the Committee and the Municipal Council and I am therefore to request you to effect such a settlement and report the same to Government for suitable orders being issued to vest the building in the Municipal Council.

Yours sincerely,

Otherwise kindly of the Committee (the Council of the Guild (which is not — DMR 19/10

(very clear) should be furnished investigated & the feasibility of taking action under Sec 18 of the R & E. Regn. as indicated in my letter No dat as considered by you
